TEKNEO COMMUNIQUE

A new protagonist in the numeric edition domain

TEKNEO SAS, places itself as a very active new protagonist in the numeric 9th art, in reference to the comics strip domain, by proposing in particular authors' products of excellent quality and high added-value.

Those interactive and numeric books are published on different nomad platforms such as portable game consoles (Nintendo DS/DSi, Sony PSP) and new generation HD touch screen : iPhone/iPod, Google Android, Symbian, Windows Mobile.

TEKNEO also proposes its productions and editorial policy on internet by subscription or on demand.
